Alternative Energy Sub-Committee Special Meeting
5:00 pm

MINUTES

Members Present:

Shawn Brissette
Kathleen Herbert
Joseph Lindley
William Witkowski

Also present was:

William Birch, Linda Jarmolowicz, Donna Godzik, and a member of the press.

I. Call to Order

Meeting called to order at 5:00pm by William Witkowski.

II. Discussion

A. Preliminary Solar Power Proposals Review

William Birch gave solar proposals for members to review. Discussion was held regarding all four proposals.

The difference between ground arrays and rooftop arrays were discussed and what would be best for the district. Rooftop repairs were discussed. There is a section at the high school and the elementary school which need to be replaced soon.

Motion by Kathleen Herbert, seconded by Joseph Lindley, to bring forward to full Board of Education for their approval to ask the Board of Selectmen to expand the scope of the Building Committee to put a new roof on areas of the school (high school and elementary school) and as part of that to explore alternative energy systems and also for the removal of oil tanks, and the replacement of the athletic track.

Motion- passes. Unanimous.
