

# One Call Now

The One Call Now phone calling system can make thousands of phone calls in a matter of moments notifying families immediately of a school cancellation, school delay or an early release. All you have to do is provide phone numbers that you would like to have called.

Please fill out the bottom part of this form and return it to the school as soon as possible. Please be sure to provide the school with the numbers where we can best reach you during school hours as the information you receive may be time sensitive. (Such as an early release due to inclement weather) Please make sure that all phone numbers are up to date. If in the future your phone numbers change, please notify the school immediately by calling the office at 860.923.9142.
