

One Call Now

This phone calling system can make thousands of phone calls in a matter of moments notifying parents immediately of a school cancellation, school delay or an early release. All you have to do is provide the phone numbers that you would like to have called.

** **Primary number:** This *one* phone number is called for school cancellations, delayed openings and/ or informational messages. This is the phone number where you can be reached early in the morning and in the evening. We suggest listing the phone number that you can be reached **100% of the time.**

** **The next two numbers:** These are *additional* numbers. These numbers **will always be used for unscheduled emergency early releases in conjunction with your primary number but will not be used for any other reason.** We suggest listing a cell phone number or work phone number. These numbers *will be contacted during school hours.*

Please fill out the bottom part of this form and return it to the school as soon as possible. Please be sure all phone numbers are up to date. If in the future your phone numbers change, **it is your responsibility to notify the school immediately.**

****The One Call Now Emergency Calling system is funded by the Thompson Middle School PTO****
