

THOMPSON PUBLIC SCHOOLS
FOOD SERVICE DEPARTMENT

August 2016

The Thompson Public Schools have a computerized system that allows parents to deposit money into their child's individual account, it is called "MySchoolbucks" and can be located @ our school's website www.thompsonk12.org. Deposits received are entered daily into student accounts by 10:30 a.m. All deposits received after 10:30 a.m. are deposited into your child's account the next business day. No change will be returned unless requested in writing by a parent/guardian. Each student is issued a Student Identification Number (PIN) and this number remains the same while your child is a student @ Thompson Public Schools. All students have an established account. Although you are not required to make advance payments, we do encourage you to do so. It helps to keep our lunch lines moving smoothly and quickly, allowing your child more time to eat their lunch. If you wish to pay in advance, please choose from the following options:

- **On-Line Payments @ MySchoolbucks.com**

If you want your on-line deposit to be "lunch only" or "breakfast only", please contact Lisa Durand to do so.

- **Advance Payment Option**

Meals may be purchased in advance. This money will go into your child's "general" account for breakfast, lunch, and/or a la carte items. If you wish your child's money be used for "lunch only" or "breakfast only", you will need to specify this on your deposit slip, personal check, or money order.

You need only send in one (1) deposit per family, however, you must specify how much money is to go into each child's individual account. Please make checks payable to the **"Thompson Lunch Program"**.
